

## VIA optronics Newsletter – 11.2016

### **Electronica Munich 2016**

VIA optronics joined Electronica from Nov. 8-11, 2016 in Munich, co-exhibiting with VIA's strategic investor IMI. With the motto "Connected Worlds – Safe and Secure", Electronica 2016 attracted approximately 73,000 visitors and 2,913 exhibitors from more than 50 countries around the world.

VIA optronics presented a 13.3Inch optical bonded Touch-LCD assembly and a 7Inch optical bonded monitor solution including live demo.

### **C Touch Shenzhen 2016**

From Nov. 24 -26, VIA optronics attended C-Touch & Display Shenzhen 2016 in China. VIA optronics product solution including plastic and curved optical bonded products, as well as 84Inch large size and automotive products were demonstrated.
